Dual Credit with Mohawk College

Manufacturing Dual Credit

Program Details

Manufacturing Dual Credit

The Manufacturing Dual Credit program offers secondary school students the opportunity to earn up to **two** credits towards their Ontario Secondary School Diploma (OSSD) while earning **two** college credits towards the completion of a college program.

The program is designed for students to take one dual credit course in first semester, and another dual credit course in second semester. Students do not have to take both courses, and can select to enroll in only one.

Please note that programs and courses available are subject to change.
